
Academy Values Ethos and Vision

Main Aim

To promote a positive, caring ethos within a safe, happy environment, ensuring pupils leave England Lane with the best possible outcomes

Motto

'Only our best is good enough.'

Vision statement

Our vision for England Lane Academy is for a school where everyone works together within a positive, calm and caring environment which demonstrates high standards of behaviour and mutual respect. We believe that our children need to leave us with well-developed personal and social skills, independence, high self-motivation, healthy lifestyles, and a strong self-belief having achieved the best possible outcomes across the curriculum. At all stages we will promote these core aspects with parents, carers and the wider community.

School Values

At England Lane Academy we will provide:

- A safe, supportive and challenging environment where everybody has the right and opportunity to achieve their full potential.
- A community where all members appreciate and understand their rights and the responsibilities which underpin these showing respect for themselves, others and their environment.
- An exciting, enjoyable, well resourced and relevant curriculum.
- Preparation for the future by developing children's independence, self-awareness and self-confidence.
- First hand, exciting learning opportunities which motivate children to learn and attend school regularly.
- An encouraging, stimulating and nurturing team environment.
- A culture where everyone is valued and which establishes self-confidence and builds self-esteem.
- Consistently high standards of teaching and learning.
- Children, staff and parents who all strive for success across the whole school community and work in partnership to achieve this.
- A school where every child and adult matters.

Delta Academies Trust Values

We will:

- Place children and students at the heart of everything we do
- Place collaboration before competition, working with others for the betterment of all
- Develop and support professionals in our own and other academies and schools to establish practice that improves lives
- Ensure that all children make good progress irrespective of their starting point and those young people facing disadvantage are lifted from educational poverty

- Never do anything to the detriment of learners, staff, or other stakeholders, in a neighbouring community
- Adhere to the 'Seven Principles of Public Life'
- Promote environmental awareness and protection locally, nationally and globally
