Key stage 2 Writing - HS	18%	10%	29%
Key stage 2 Maths - EXP	76%	70%	86%
Key stage 2 Maths - HS	18%	10%	14%
Key Stage 2 RWM - EXP	71%	60%	86%
Key Stage 2 RWM - HS	18%	10%	14%

Pupil Premium - What is Pupil Premium?

Pupil Premium was introduced by the Department for Education (DfE) in 2011, as additional funding for pupils who receive Free School Meals and who are Looked After Children. This is because the DfE have recognised that good education is the key to improving young people's life chances. This is particularly true for children from low-income families, or who are Looked After Children, research shows that without intervention these children are far less likely to leave schools with good GCSE results than other children.

The Pupil Premium, using additional resources from outside the School's Budget, is intended to address the current inequalities by ensuring that funding reaches the pupils who need it most.

The Pupil Premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils.

The DfE have stated that schools have the right to spend this funding as they see fit based upon their knowledge of pupil needs. There is obvious accountability that serves to ensure that the money is used effectively and to the benefit of these key groups.

What does the data suggest for priorities for the next academic year?

EYFS

In EYFS, all those eligible for Pupil Premium achieved a Good Level of Development, exceeding the percentage nationally for all and other pupils.

Work will continue to ensure disadvantaged pupils continue to achieve the expected standard and provide challenge to support them to exceed the expected standard.

KS1

Year 1 Phonics Screening results declined from the previous year's outcomes. The difference between the academy and national outcomes will be addressed in the coming year through rigorous staff CPD to ensure the teaching phonics is effective throughout the academy. Those pupils who did not achieve the required standards in Year 1 will continue to be targeted to diminish the difference in Year 2.

In Year 2, the gap between the attainment of pupils eligible for PP and others remained the same as outcomes in 2017. The percentage of disadvantaged pupils achieving Greater Depth improved when compared to academy outcomes from the previous year and this will continue to be an area of focus.

However, attainment in all subjects remains below outcomes nationally therefore improving outcomes in all subjects at the expected standards and greater depth remains a priority.

KS2

Outcomes at the end of Key Stage 2 improved in all areas when compared to outcomes in the previous year demonstrating a three-year improving trend. However, whilst the gap between disadvantaged pupils and others is diminishing, there remains a notable difference between those eligible for PP and other pupils in Reading, Writing and Maths and the combined measure.

Behaviour and Attendance

	Overall	National 2016-17	Persistent absentees (<90%)	National 2016-17
All (2016-17)	94.1% (93.9%)	96%	16.1% (16.9%)	8.3%
Disadvantaged	92.9%		22.8%	

Attendance remains a significant priority for the academy, with significant actions taken from March 2018 to improve the attendance and punctuality of all pupils. Whilst there has been an improvement from the previous year, it still remains significantly below the figure nationally.

Additional Planned Use of Funding

Whole school initiative	What will it cost?	How many pupils will benefit?	Who will be responsible?	Impact?
Subsidised Breakfast Club	£			
Primary Director of Learning Targeted support to support teaching and learning	£13,350	Y6 –	UKS2 Teachers Primary Director of Learning HoA	Increased % pupils reaching expected standard in Reading, Writing, Maths and GPS at end of KS2. Increased % pupils achieving higher standard in Reading, Writing, Maths and GPS at end of KS2. Increase in average scaled score for disadvantaged pupils at end of KS2.

Objective 1 Speech & Language Years: EYFS – Y6	What will we do?	How much will it cost?	How many pupils will benefit?	Who will be responsible?	What will success look like?
To raise attainment through personalised Speech and Language intervention.	Provide in-house Speech and Language Therapist	Speech and Language Therapist SLA: £5,700	All pupils screened As below	Speech and Language Therapist Teachers Support staff	Increased number of PP pupils with age appropriate language and speech sounds scores, evidenced through baseline and end of year screenings.
	Screen all Nursery pupils and new to Reception pupils on entry. Liaise with SALT to plan and deliver individual and small group sessions.	Staffing: £6000 Resources: £200	All pupils screened	EYFS teachers and support staff SEN Support SENCo Speech and Language Therapist	PP pupils identified will be targeted through regular 1-1 or small group sessions, reducing number with significant delays. Increased number of PP pupils achieving Expected in Communication and Language.
	Deliver regular 1-1 and small group Speech and Language sessions to children.	Staffing: £4,000 Resources: £200	Nursery – Reception - 2 Year 1 – 1 Year 2 – 2 Year 3 – 2 Year 4 – 3 Year 5 - 2 Year 6 – 1	Class teachers and support SEN Support SENCo Speech and Language Therapist	Increased number of PP pupils with age appropriate language and speech sounds scores, evidenced through baseline and end of year screenings.
