Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. We would love to see photographs or videos of this completed work through our school email address or on Twitter.

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	How many materials can you find in your house that are waterproof?	At school, we have been drawing portraits and landscapes! Remember these are pictures of people or the surrounding area. Pick something in your garden or house and draw a picture of it. Don't forget to carefully observe the shape.	Do the washing up or another job for your family.	How many times can you run around your garden before you need a rest?
Deepen your learning	How many materials can you find in your house that are waterproof and float? *worth 10 reward points	At school, we were practising our sketching skills. Sketch a portrait (picture) of someone in your house. Remember to take your time with this. *worth 20 reward points	Draw a picture and put it in your window to make your neighbours smile. *worth 20 reward points	Design an obstacle course in your garden or home and do it with your family. *worth 50 reward points
Take the challenge!	Can you make a boat that floats? How many coins can it hold? *worth 20 reward points	Write your own version of The Smartest Giant in Town and draw pictures to illustrate your story. You can view the book on You Tube. It can be set anywhere you want. *worth 50 reward points	Write a letter to someone in your family to tell them what you have been doing. *worth 10 reward points	Design a game for you, and your family, to play. What equipment will it include? How will you win? *worth 20 reward points
