Year 4: Home-School Learning Menu Week 3

Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. You may wish to send in photographs or videos of this completed work through our school email address. You can also share your learning on our new Twitter: @EnglandLaneMain

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	During your daily walk look out for different plants and flowers. Can you name any of them? Does anyone else in your household know their names?	Can you research about Greek gods and goddesses? Find out about two of them and tell someone in your house an interesting fact.	Offer to help your parent or carer with something in the house. It could be the washing up, tidying or even helping in the garden.	How many laps of your garden can you do before you get tired? Can you challenge someone in your home?
Deepen your learning	Can you draw any of the flowers or plants you saw on your daily walk? *10 points*	Can you create your own Greek god or goddesses? What will you name them? What outfit will you design for them? *20 points*	Do something to make someone in your house smile. *10 points*	Play a game with someone in your home. It could be football, ruby, cricket or better yet make up your game! *20 points*
Take the challenge!	Design and draw your own garden. What kind of plants and flowers would you have in it? *20 points*	Create a story about your Greek god or goddess. Once upon a time they went on an adventure to... *20 points*	Say something nice to someone or make them a thank you card. *10 points*	Learn a new sport or skill? You could work on your dribbling skills or your balance! *20 points*
