Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. You may wish to send in photographs or videos of this completed work through our school email address. You can also share your learning on our new Twitter: @EnglandLaneMain

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Thinking about travel, what travel have you used since you have been at home and how have you moved about?	If you had to go on a ship to find treasure island, what would you take with you and who would you take to help you find the treasure?	Go shopping with your parent and help by packing the bags for them. Remember to keep 2m distance from people and wash your hands as soon as you return home.	Think about different ways you can travel on foot, can you travel using one foot, can you travel using both hands and feet? Which way to travel is the most difficult? Do not forget to take some pictures or videos.
Deepen your learning	Thinking about how you have been travelling, whether it be walking or car. What have you seen less of whilst travelling? Have you noticed a difference in the world? What has changed?	Draw a treasure map that you can follow to find the treasure. You can use the technique of tea bags to make your treasure map look old and dirty. *worth 20 reward points	Help a sibling or a friend with their home learning menu, you can share ideas or even do a virtual project together. Remember to share pictures of your progress. *worth 10 reward points	Think about the skills we have previously learnt in gymnastics, can you practise these at home. Use a mat or cushions on the floor to practise your poses, see if you can teach someone else some of these too. Don't forget to take pictures ☺ *worth 20 reward points
Take the challenge!	If you could travel anywhere now, where would it be? Draw your favourite place to visit and explain why you like it. *worth 20 reward points	Act out your hunt for the treasure with your family. Hiding something around the house, they have to use your map to find this prize. You can act out the journey,	Help in the local community by either delivering food or helping out vulnerable people. Not everyone is able to get to the supermarket as easily so everything you can	Do a Joe Wicks PE workout at home, push yourself to the limit and try and involve your parents too! Try this for one week and see how you progress through the week. Have you got better? Did you find it harder? Write some notes each day on how you felt
