Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. You may wish to send in photographs or videos of this completed work through our school email address. You can also share your learning on our new Twitter: @EnglandLaneMain

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Explore your garden. What bugs can you find? Can you sketch the bug and find out the name of it?	Research Henri Rousseau and create a drawing/painting of a rainforest in this style.	Make a snack or drink for a member of your family. Help tidying around the house by hoovering or washing the pots.	Help out with some gardening. Go for a walk outdoors and explore the local area, see what natural items you can find.
Deepen your learning	While visiting the rainforest you meet an old tree that can talk. What stories would it tell? *worth 10 reward points	Describe your daily life as an explorer in the rainforest. *worth 10 reward points	Help with some chores in the house. Help a sibling or family member with some work. *worth 10 reward points	Create a circuit in the garden. See if you can get another family member to join in. How many laps can you do? Can you add another lap each day? *worth 50 reward points
Take the challenge!	While exploring the rainforest you discover a new insect! What does it look like? How does it live its life? What will you name it? Do you think it will have any medical benefit to the world? *worth 10 reward points	Record yourself telling a story about boating on the Amazon River. What kind of plants and animals would you see? Are there any dangers? Who is with you? *worth 50 reward points	Write a poem for someone in your family. Describe the things you like about this person. *worth 20 reward points	www.dancenotes.co.uk/preview/TheRainforest.pdf Use the link above to take part in some rainforest dancing. Alternatively make up your own. Think about how the animals and plants move. *worth 20 reward points
