Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. We would love to see photographs or videos of this completed work through our school email address or on Twitter.

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Around your house, go on a texture treasure hunt and record your findings however you would like to. Which materials are soft? Which materials are rough?	Using different materials from inside and outside your house, can you create a rainbow?	Can you tell someone in your house a funny joke to make them smile?	Can you create your own wildlife yoga poses? Teach these to members of your family. 
Deepen your learning	Gather colours from nature or from objects around your house. Organise them into groups and create a picture from this. *worth 10 reward points	Using salt dough, can you create a home-made fossil? *worth 20 reward points	Can you make a poster telling people how to wash their hands? *worth 20 reward points	How long can you hold a plank position for? Ask your adult to time you. Can you beat your time? *worth 50 reward points
Take the challenge!	Can you make a self-portrait using recycled materials? How many different materials can you use? Remember to ask your adults permission and help making this. *worth 20 reward points	Can you make a sock puppet? Remember to give your sock puppet a name and a special voice. Remember to ask your adults permission and help making this. *worth 50 reward points	Using different materials around your house, can you create a piece of artwork for someone in your house? Remember to ask your adults permission before using the materials. *worth 10 reward points	Using a football, how many keepy-uppys can you do in 1 minute? Ask your adult to help you count.
