Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. You may wish to send in photographs or videos of this completed work through our school email address. You can also share your learning on our new Twitter: @EnglandLaneMain

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Read the following book which explains about the coronavirus we are experiencing and have a think about how it makes you feel. Covid book .pdf	Think about your feelings towards the coronavirus and how it is making you feel, write these feelings down and discuss with adults how we can overcome these feelings. You could talk about this feeling and once you feel better, screw up the feeling and chuck it away, making it disappear.	Can you tidy the house for your family member or tidy your room making sure you don't leave mess for them to tidy up. Show us your tidy bedrooms and Miss Hopkinson will be judging the fidiest, points will be rewarded for which one she thinks is the cleanest!	Use our active fusion PE pack to get active this week, there are lots of activities for you to do either alone or with a friend or adult. Start off simple with the alphabet challenge and don't forget to show us some pictures of your letters you have made. Re PE Parent - FREE resource for staff, parents & pupils.zip
Deepen your learning	Design a poster using a range of pictures and short sentences to explain how coronavirus spreads and how we can prevent the spread of it and what we can do to keep safe. *worth 20 reward points	Have a discussion with parents about the things we have had to stop doing since we have been in lockdown, what things do you miss the most? What things have you enjoyed doing more that you	Help out younger children in the community by showing them your poster on preventing the spread of coronavirus, you could leave these on your drive for people to read and this can help by showing them what	Try the roll a goal challenge from the active fusion pack, this is all about controlling the ball and our coordination and concentration. Think about what we have learnt with the elite coaches and skills for keeping control of the ball. Don't forget to send in pictures or videos to show your skills! *worth 20 reward points

		wouldn't have done before, make a note of these so you don't forget.	to do to stay safe. *worth 10 reward points	
Take the challenge!	Make a short video with some examples of how to prevent catching the coronavirus and show us what techniques you have been using to stay safe and free from the coronavirus. Don't forget to send these into our twitter @Cohort7ELA *worth 20 reward points	Create a mood board, using a range of images either drawn or made on a word document and show all the things you would like to do when we are allowed out of lockdown. See Miss Hopkinson's mood board for some ideas. Don't forget to share your mood board with us on twitter. Miss Hopkinson mood board.docx *worth 50 reward points	Once you have made your short video with hints and tips for preventing the spread of coronavirus you can send this to our twitter page, this way it can be shared to help others in the community and throughout school understand what they need to do. Don't forget to show us lots of examples e.g. washing hands and singing. *worth 20 reward points	As Miss Hopkinson knows, all the children in Year 5 Lions LOVE TO DANCE! Why not try the dance opportunities in the active fusion pack, you can learn the dance tutorials, just like we do in class with our just dance videos. Don't forget to send us pictures and videos or your new moves, Miss Hopkinson will be very impressed! *worth 20 reward points
