## Year 4: Home-School Learning Menu Week 10

**Topic Project Menu:** These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. You may wish to send in photographs or videos of this completed work through our school email address. You can also share your learning on our new Twitter: @EnglandLaneMain

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
<b>Strengthen your learning</b>	This week has been food safety and awareness week. Are you aware of what you eat? Research healthy eating online, look at an eat well plate and balanced diet	<a href="#">Draw with Robb - Gregosaurus</a> Have a go at this drawing class, Rob is an illustrator that teaches you to draw step by step! Miss Kelly's is already up on twitter.	Do the dusting around the house for 5 days (you'll be surprised how much you'll need to do it)	Complete a workout of your choice. You might want to complete joe wicks or cosmic kids yoga!
<b>Deepen your learning</b>	Draw out your own healthy lunch box from the research you have found. Don't forget to label it and include healthy snacks and a drink! <b>*10 points*</b>	Can you create your own illustrated character? If you need inspiration think about the books you have already read! <b>*20 points*</b>	Can you help someone tidy another room in the house? If you have siblings you could help them tidy their room! <b>*10 points*</b>	Whichever workout you picked to do create your own workout based around it. If you picked cosmic yoga you might want to pick a story and create some yoga moves around what happens in the story <b>*20 points*</b>
<b>Take the challenge!</b>	Create a healthy eating poster or information booklet. Remember to include what foods are and are not healthy and what kind of exercise a person could do to keep healthy! <b>*20 points*</b>	Challenge someone in your house to draw your new character along with you. Remember just like Rob you are going to have to talk them through the whole thing! <b>*20 points*</b>	Since the weather is so lovely, why not help an adult do some gardening. You could help them tidy the garden or help plant some beautiful plants. <b>*10 points*</b>	As it is food safety and awareness week. Can you create a workout plan for yourself or someone in your house to complete over 3 days! <b>*20 points*</b>
