	<p>Lesson 6: Decimals: To use mental multiplication strategies.</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Complete the exit quiz. 	<p>Lesson 7: Decimals: To solve and represent decimal problems.</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Complete the exit quiz. 	<p>Lesson 8: Decimals: To represent two-digit multiplication.</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Complete the exit quiz. 	<p>Lesson 9: Decimals: To solve three by two-digit multiplication.</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Complete the exit quiz. 	<p>Lesson 10: Decimals: To solve long multiplication problems.</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Complete the exit quiz.

Weekly English Tasks

<p>This week's spellings:</p> <p>Words ending in 'ent' and 'ant.'</p>	<p><u>First there is a tip to help:</u></p> <p>Try saying the word out loud to identify whether it ends in 'ent' or 'ant.'</p> <p>Remember! Split the words into syllables using our hand under the jaw method and this should help you break the word down.</p> <p><u>Example:</u></p> <p>Absent</p> <p>Relevant</p>	<table border="1"> <tr> <td><u>Starter</u></td> <td><u>Challenge 1</u></td> <td><u>Challenge 2</u></td> </tr> <tr> <td>Absent</td> <td>Relevant</td> <td>Sufficient</td> </tr> <tr> <td>Innocent</td> <td>Distant</td> <td>Apparent</td> </tr> <tr> <td>Patient</td> <td>Important</td> <td>Observant</td> </tr> <tr> <td>Confident</td> <td>Significant</td> <td>Dominant</td> </tr> </table>	<u>Starter</u>	<u>Challenge 1</u>	<u>Challenge 2</u>	Absent	Relevant	Sufficient	Innocent	Distant	Apparent	Patient	Important	Observant	Confident	Significant	Dominant
	<u>Starter</u>	<u>Challenge 1</u>	<u>Challenge 2</u>														
Absent	Relevant	Sufficient															
Innocent	Distant	Apparent															
Patient	Important	Observant															
Confident	Significant	Dominant															
		<p>Starter – Practise saying the words and then try to spell it.</p> <p>Challenge 1 – Say the word and then try to spell it</p> <p>Challenge 2 - You can put yourself to the test by trying to use the words in a sentence.</p> <p>Can you think of anymore 'ent' or 'ant' words? 10 reward points for any more words that are added to the list.</p>															

Year 5: Home-School Learning Menu Week 11

<p>Reading task</p> <p>Sign up to the following website free of charge to access eBooks and Audiobooks.</p> <p>https://www.oxfordowl.co.uk/for-home/find-a-book/library-page</p> <p>Search the eBook Library; look for books in age range 9-11</p>	<p>https://www.oxfordowl.co.uk/for-home/find-a-book/library-page</p> <p>This week's challenge. Read the book 'Dragon Tales' chapter 3. You will find it in the age 9 – 11 section of the website.</p> <p>How many questions did Tchang have to ask the wizard? What did the dragon need to do to be able to fly?</p> <p>Challenge</p> <p>If you had to ask a wizard a question, what would your question be? Think carefully about one question and why you want to ask it. You can send in your questions to Miss Hopkinson on our twitter page @Cohort7ELA or @EnglandLaneMain.</p>
---	---

Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. You may wish to send in photographs or videos of this completed work through our school email address. You can also share your learning on our new Twitter: @EnglandLaneMain

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Now local parks and national trust parks are open, try and visit one. Look around and observe the local wildlife in your local national park and see if there are animals or plants that you have not seen before. Try and take some photos of these so you can remember them when you get home.	As we have been off school for a long time, Miss Hopkinson thinks it would be a good idea to do some designing. Miss Hopkinson would like you to design a new toy, you need to draw this on paper and list the materials that you will use. Be realistic as you will have to make this.	Why not tidy your room? Help out your adult by making sure your room is tidy and clean and you have helped round the house. If you share a room with a sibling, ask them to help with the tidying.	Test your physical ability by having a go at Joe Wickes PE sessions. https://www.youtube.com/watch?v=n0S0FoewyAo
Deepen your learning	Once you have returned from your walk you need to get your researching head on! Think about anything you have seen that you were unsure of or haven't seen before, or heard or felt.	Gather the materials that you have listed for you new toy and any other resources you will need to make your toy. Begin to make it and take pictures along the way and then when it is complete. Don't	Now that the weather is getting better can you do some chores outside? This could be washing a car, planting some flowers or tidying in the garden or even taking an animal for a walk.	Can you make your own workout routine, using Joe Wickes' PE sessions for inspiration? You can either record the workout and do your own PE session or you can draw your exercises on a piece of paper. Don't forget to show us what you come up with by uploading your video or sheets to @Cohort7ELA. *worth 20 reward points

Year 5: Home-School Learning Menu Week 11

	<p>Research this and find out some information about things in your local area and make a factsheet about this, don't forget to upload to @Cohort7ELA *worth 20 reward points</p>	<p>forget to upload the pictures to @Cohort7ELA. *worth 20 reward points</p>	<p>*worth 10 reward points</p>	
<p>Take the challenge!</p>	<p>As the national parks have been short for a long time, why not create a poster to advertise your national park. Have a go at drawing some of the wildlife you have seen today or draw the national park entrance. Remember to make your poster colourful and bright to convince people to go. Don't forget to upload this to @Cohort7ELA *worth 20 reward points</p>	<p>When you get a new toy, it can be confusing on how to use it. Think carefully about what your toy can do or could do if it was on the shelf in a toy shop. Write down instructions for how to use your new toy and remember to send in pictures to @Cohort7ELA. *worth 20 reward points</p>	<p>You have been at home now for a long time and Miss Hopkinson has been trying to learn some new skills. She would like you to try and learn a new skill too...so why not try some cooking. Ask your adult to help you find an easy recipe and gather the ingredients and then have a go at making it. Don't forget to show us what you make @Cohort7ELA. *worth 20 reward points</p>	<p>Over the time off Miss Hopkinson has been trying some new exercises that are simple and not too exhausting! She has been enjoying some simple yoga. Why not give it a try and look on YouTube for some yoga for children and see if you can do some of the poses. Don't forget to show us what you can do by sending in pictures to @Cohort7EL. *worth 20 reward points</p>
